## The vision

This year shall be a year of great progress in every direction you desire for it to be. It will be a year of great progress in all the areas the lord has opened up in the previous year.

## Ps 115

The main scripture for this year which will feature in your prayers and petitions is Ps115. Many may be asking where there God is but

Matthew A Daniel

He will answer your entire critic this year in a resounding way. The Lord will do so for those who reverentially fear him and have been faithful to him. The blessing the lord will do this year is also for your children. Claim it and praise him for the testimonies. It shall also be a year that he will help his priests who have been in lots of pain. He will be our helper this year and he is the maker of heaven and Earth. He is also our shield.

## Ps 112

Another scripture for the year to read and meditate on. This year will favour the righteous as they shall prosper and their children shall also do exploits. This year we shall be empowered and the world will take notice of what the lord has done for us. The horn of the righteous shall be exalted.

## 1 Tim 4:15-16

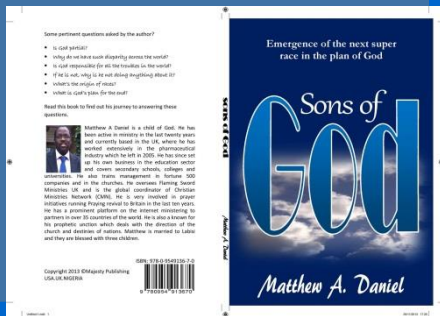

You also have a part to play. You need to meditate and pray and make declarations with all these prophecies so your progress may be visible to all.

## Gen 12:1-3

God has always demonstrated progress in his blessings. Abraham will be blessed and then go on to be a blessing. Then he will become a source of blessing to the whole earth. Your progress this year will be expanding into different realms in Jesus name.

### Have a great year

When God gives specifics, it means he has planned some great things in store for his children. Stay close, stay in contact, seek guidance of the Holy Spirit and have a great year! Shalom.
